O R D E R:

In the reference 1st read above, the Finance (FMU-WR.I) Department have stated that number of engineering works were sanctioned earlier even by relaxation of FRBM norms resulting in huge burden on the State exchequer. There is also a case for thorough review of ongoing projects as priorities have not been followed. Thin spread of resources is providing to be financially unwise. It is therefore, decided that all the Departments concerned will first halt works and do the following:

(i) Engineering works sanctioned prior to 01.04.2019, but not grounded are cancelled;

(ii) Works grounded but expenditure is less than 25% of originally estimated value shall be reviewed afresh. No payment will be done in this regard before obtaining orders afresh from appropriate authorities;

2. In the reference 2nd read above, the Chief Engineer, Panchayat Raj, Vijayawada while sending the proposal, has requested the Government for cancelation of not grounded works prior to 01.04.2019 for 7 no. of building works costing Rs.915.00 lakhs sanctioned earlier through various G.Os under construction of PR Buildings (erstwhile MPP Buildings and V&QC Building) grant.
